MEMORANDUM FOR MR. TOLSON
MR. BELMONT *alms*
MR. SULLIVAN

Yesterday Congressman Francis E. Walter, Chairman of the House Committee on Un-American Activities, called to see me. Congressman Walter was particularly concerned about certain developments in the academic field.

He stated that some months ago, an association which is composed of representatives of faculties had passed resolutions censuring five colleges of the country which had refused to employ professors who had taken the Fifth Amendment. He said recently Bryn Mawr College, which is located in his Congressional District, had stated that it would not accept any students whose tuitions are arranged through some arrangements for so-called impoverished students and who would be required to take any oath that they did not belong to a subversive organization. Congressman Walter stated upon inquiry he had ascertained that the reason for this action upon the part of Bryn Mawr authorities was that they had been influenced by the action taken by the above-mentioned association censuring colleges for not employing anyone on the faculty who claimed the Fifth Amendment.

The Congressman stated that he anticipated that this so-called fear or intimidation would probably spread and he was thinking of having one or more outstanding educators in the country make a statement relative to the matter of academic freedom and the fact that oaths of loyalty are not an infringement upon the same. He first suggested the possibility of having Dr. James B. Conant, former President of Harvard University, make such a statement. I inquired of Congressman Walter whether he was fully conversant with Dr. Conant's "thinking," as it was my recollection that Dr. Conant had more or less condoned the employment of professors who might have communist backgrounds.

The following is submitted as of possible interest in connection with Congressman Walter's visit with the Director today.

The House Committee on Un-American Activities (HCUA) on 1-5-59 released a report (copy attached) entitled "Patterns of Communist Espionage." This report was reviewed prior to its actual issuance and was found to be very complimentary of the Bureau and the Director was quoted in several places. The report ended with an appeal to all citizens to immediately report to the FBI any approaches made to them by agents of an Iron Curtain country and all information concerning espionage which comes to their attention.

The basic theme of the report was to establish that Soviet-bloc espionage continues. It cited recent publicized cases in the U.S. and foreign countries. It gave examples of attempts to recruit Americans. It reflected that Soviet-bloc official establishments are used for espionage operations. It showed how the Russians spy on U.S. personnel in Russia and how U.S. establishments employ Iron Curtain personnel in the Iron Curtain countries which actually outnumber U.S. personnel behind the Iron Curtain.

The report contained a number of minor inaccuracies which were called to the attention of the Chief Counsel and a staff member of the HCUA by Mr. DeLoach on 1-6-59. At that time, Mr. DeLoach also inquired as to the source of information in the report regarding two Soviet officials, which information appeared to be that previously disseminated by us. Mr. DeLoach was subsequently informed that they did not know just where the HCUA had obtained this information. (U)

The report recommended immediate study and review of all U.S. laws, regulations and policies pertaining to the following:

- (1) Prerequisites for admission to the U.S. of persons of diplomatic and semidiplomatic status.
- (2) Acts which constitute grounds for revocation of diplomatic status.

Comment: It is noted that in some instances it is to the Bureau's advantage not to declare Soviet-bloc officials persona non grata even though they are engaged in intelligence activities. For example, in active double agent cases where the double agents are providing valuable information and

persona non grata action would compromise the case. This is also true in some instances where the official returns to the Iron Curtain country. Refusal of State Department to allow him re-entry could compromise our double agent operations. (U)

(3) The development and use by the U.S. and its Allies of techniques for learning through all sources of information the identities of communist intelligence agents.

Comment: On 1-6-59 Mr. DeLoach inquired of the Chief Counsel of the HCUA concerning this and was advised that the Committee had nothing specific in mind.

(4) The employment of nationals of communist nations in U.S. diplomatic establishments abroad.

Comment: This is an obvious security weakness as is illustrated in the HCUA report but, of course, is the responsibility of State Department and other Government agencies.

(5) The Committee recommended careful consideration should be given to the development of an effective program to induce defection of communist diplomats and MVD agents in the U.S.

Comment: The Bureau has a defection program. We, of course, have been very selective in our efforts to defect Soviet-bloc officials but are constantly endeavoring to spot those who may be thinking of defection. (U)

None. This is for information.

COMMITTEE ON UN-AMERICAN ACTIVITIES

Boston, January 26, 1959.

Honorable Sam Rayburn, Speaker of the House,
House Office Building,
Washington, D.C.

My dear Congressman Rayburn:

Having already written to Senators John F. Kennedy and Laurence Curtis, I am taking this opportunity to address myself to you, Sir, because the subject is important and concerns all of us and is of vital importance to this Nation.

HOUSE UN-AMERICAN ACTIVITIES COMMITTEE - It seems almost inconceivable to believe that there is a move on the way to abolish the above Committee. This Committee is the very "watch dog" over our American radicals, and should this Committee be abolished, they just will have free rein in this Country.

This just about reminds me of Jimmy Hoffa trying to unionize the Police. In other words, the crook asking that Police be abolished. I vehemently protest such a move and do trust you will do your utmost to prevent it.

Most respectfully,

EDWARD R. GREENWOOD
158 Summer Street,
Boston 10, Mass.

Reference is made to the enclosed copy of the Director's memorandum of February 11, 1959, which requested an appropriate list of the names of outstanding educators which might be considered for submission to Congressman Walter.

Enclosed are 14 individual biographical sketches of educators who appear to warrant consideration in this regard. These educators are:

Arthur Hollis Edens
 President, Duke University
 Durham, North Carolina

An investigation of Edens (Special Inquiry) was conducted in 1954 at the request of the Under Secretary of State. No pertinent derogatory information was developed. Edens was approved as an SAC contact of the Charlotte Division on 11-7-57. (77-61240; 94-50789)

Wilson H. Elkins *md*
 President, University of Maryland
 College Park, Maryland

There is no information in Bufiles which would preclude Elkins' being placed on the list. In 1956, the Director, as one of the judges for the "Sports Illustrated" All-American contest, selected Elkins as one of his 25 choices from among 81 nominees. (94-48703-7)

John T. Fey *VC*
 President, University of Vermont
 Burlington, Vermont

Fey was a SA applicant in 1940 but no action was taken upon the completion of the investigation. Fey was the subject of an applicant-type investigation in 1956 (Special Inquiry). No derogatory information was developed which would preclude his inclusion in the list. Fey met with the Director on 2-23-53 and spoke highly of the Bureau's work. The Bureau has had cordial correspondence with him. (67-155023; 77-73596; 94-2-29083)

William E. Morgan

In 1958, he toured the Soviet Union to survey Russian education on a trip sponsored and approved by the Department of State. On 3-6-57, Murphy saw the Director and agreed with him on the Bureau's position regarding the use of informants and confrontation of the accused. (77-56859; 94-56215-5)

SUBJECT: COMMUNIST LEGAL SUBVERSION
THE ROLE OF THE COMMUNIST LAWYER
REPORT BY THE HOUSE COMMITTEE ON UN-AMERICAN
ACTIVITIES (HCUA), 86th CONGRESS
FEBRUARY 16, 1959

Captioned report based on HCUA hearings and investigations during "the last few years." Designed to reflect methods used by communists to pervert democratic processes through efforts of communists trained in law. From 1947 to 1957, more than 100 members of bar identified as Communist Party (CP) members in testimony before HCUA. Sixty-seven refused to answer questions concerning CP membership or activities. In past decade, had full access to executive agencies, state and Federal courts, and participated in at least 32 important cases adjudicated by the Supreme Court on vital issues affecting operations of CP. Report develops anomaly of communist lawyer who is sworn to uphold Constitution of U.S. yet has primary loyalty to international revolutionary conspiracy. Shows communist use of courtroom as forum for propaganda, abusive and contemptuous behavior before congressional committees, and types of services given to CP by communist lawyers.

"Case histories" of 39 communist lawyers set out. Thirty-five presently included in Security Index (SI). Remaining four previously in SI but removed for lack of known recent CP activity. These four are as follows:

Frank J. Donner - New Haven: Removed from SI 6-22-55. Last reported as CP member in 1942. Active in various front organizations to 1956. Wrote magazine article in 4-54 criticizing Government's use of "informers."

Abraham J. Isserman - New York: Removed from SI 10-12-55. Last reported as CP member in 1944. Connected with front organizations to 1950. Represented 11 CP members at first New York Smith Act trial and was sentenced to four months in prison by Judge Medina for contempt.

Charles J. Katz - Los Angeles: Removed from SI 4-27-55. Last reported as CP member in 1948. Affiliated with front organizations to 1958. Handled legal matters for Martha and Alfred Stern, espionage subjects, (1943-1945).

Samuel Rosenbush - Los Angeles: Removed from SI 4-2-58. Last reported as CP member in 1949. Served as defense attorney for Los Angeles Smith Act defendants 1952 and spoke at MEA sponsored conference 1956.

RECOMMENDATION:

39 individuals mentioned in HCUA report be indexed as references for public source material. A copy of the HCUA report attached for information. (ENCL ATTACHED)

[redacted] advised that this meeting was attended by JOSEPH RUDIAK (President of the IVL), ALEXANDER STABER (Secretary of the IVL and member of the District Board, Communist Party of Western Pennsylvania (CPWP), ALEX STEINBERG and NATHAN ALBERT (both members of the District Board, CPWP), JOHN BAKICH, [redacted] ALEXANDER STABER presided as chairman of this meeting which concerned mainly a discussion regarding the tax structure to be utilized in the state of Pennsylvania as proposed by Governor DAVID LAWRENCE. The individuals in attendance agreed that they should wait until Governor LAWRENCE presents the tax measures to the Pennsylvania legislature and then they should present the matter to all unions, minority groups, people on relief, and individuals who receive old age pensions.

b6
b7C
b7D

The agenda of this meeting next concerned a discussion regarding the proposed HCUA hearings scheduled to be held at Pittsburgh, 3/10,11,12/59. [redacted] advised those present that he had received a subpoena to appear at these hearings. STABER, STEINBERG, and ALBERT advised that they also had received subpoenas and that they knew of 19 other individuals who had received them. These individuals attempted to predict who would be used as "stool pigeons" at the hearings and STABER stated that they may get AL CAPPS' relative, who was utilized before. The individuals at this meeting agreed that the FBI was trying to create fear and hysteria, to attract attention away from the biggest budget ever presented, and to give war threats to scare other nations that do not follow our policies.

JOSEPH RUDIAK stated that he had not received a subpoena for these hearings for which he was glad, although he had "missed the boat" at the Youngstown, Ohio (HCUA) hearings. RUDIAK stated that he was handed a paper at the former hearing which he was supposed to have written for the Democrats. He added that he should have read it into the record since it was a good article even though he had written it himself.

PG 100-12535

STABER then stated that they plan to have a meeting with HYMEN SCHLESINGER (Pittsburgh attorney who in the past has handled legal matters for various members of the CPWP) during the coming week to discuss procedures, and that they will try to have the (National) Lawyers Guild appoint a couple of lawyers to defend them.

Re report of SA JOHN R. MITCHELL, Pittsburgh, 11/28/58, captioned as above, and mylet to Bureau, 2/24/59, captioned "HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES, INFORMATION CONCERNING (Subversive Control)."

Records of the Clerk's Office, U. S. District Court, Western District of Pennsylvania, New Federal Building, Pittsburgh, Pa., under Civil Action No. 12597 in the case of "United States of America Plaintiff vs. Katherine Kemenovich Defendant" were reviewed by SA JOHN R. MITCHELL on 3/2/59. These records which are maintained in the closed section of the docket revealed that on 1/8/59 an opinion and order were rendered by Federal Judge JOHN L. MILLER to the effect that the motion of defendant to amend the order of dismissal was denied.

It is noted that referenced letter to Bureau dated 2/24/59 sets forth information to the effect that GEORGE WILLIAMS, Investigator for the House Committee on Un-American Activities, advised the Pittsburgh Office on 2/24/59 that he was turning over to the U. S. Marshal's Office subpoenas instructing various individuals to appear at hearings to be held at Pittsburgh Pa., on 3/10-12/59 and one of these individuals was the subject.

A review of subject's file reflects that a report was submitted on the subject dated 11/28/58 and there is no additional pertinent information on the subject to be furnished the Bureau at this time. In view of the above no report will be submitted in this case.

This case is being placed in a pending inactive status and the Bureau will be advised of any pertinent developments in connection with the denaturalization proceedings lodged against the subject by the Immigration and Naturalization

Mr. WILLIAMS also advised that he was subpoenaing STEVE NELSON; FRANK DONNER, Attorney of the UERMWA, and also THOMAS WRIGHT, all of New York City. Mr. WILLIAMS said that probably the hearings would be held in three phases. The [redacted] will bring Pittsburgh informants [redacted] for whom subpoenas have been issued and included with the group for the above-listed persons. Their testimony will deal generally with communist activities in the Pittsburgh area and on the same date it is planned that local leaders of the Communist Party will be subpoenaed.

On [redacted] the hearings will deal with communist infiltration of the UERMWA. The point is to show that while people such as JOHN NELSON of Erie and HAROLD BRINEY of Pittsburgh were discharged from their employment at the General Electric Company and the Westinghouse Air Brake Corporation, respectively, they retained positions with the union. It is to be noted that NELSON is President of Local 506 of the UE at Erie while BRINEY, according to WILLIAMS, is still an organizer.

The third day of the hearings is to be devoted to various cases involving either deportation or denaturalization handled by the Immigration and Naturalization Service. An attempt will be made to show through the use of some seven or eight cases that it is practically impossible to denaturalize and deport a communist.

The U. S. Marshal's Office, according to WILLIAMS, is to begin serving the subpoenas immediately, and in this regard Bureau advice is requested as to whether in light of the service of subpoenas interviews should be attempted with the persons subpoenaed.

In every case in which an individual has been subpoenaed before the Committee the files will be reviewed and the investigation brought up to date. A report suitable for dissemination will be submitted in each case where warranted. In instances where a report is not submitted, letters will be submitted under the individual case captions advising why a report will not be submitted.

With reference to the tentative list as submitted by Bureau letter to Pittsburgh, 2/9/59, it is noted that several individuals were not included on the list of subjects who were subpoenaed for appearance before the Committee. In these cases reports or letters will not be submitted since they are not being called as witnesses.

Re Bureau letter to Houston 11/20/58 containing instructions regarding the review and dissemination of information elicited during HCUA hearings and steps to be taken by the office covering the area in which Communist activity was being examined by the HCUA.

In seeking information on Communist activity in New Jersey, the HCUA conducted three executive sessions and heard three friendly N.J. witnesses. ROBERT DIXON on 6/10/58. [] on [] and [] on []

These three friendly witnesses were also called to testify in an open session held at the Federal Building, Newark, N.J. on September 3, 4, 5, 1958. ROBERT DIXON and [] had been interviewed by the Newark Office prior to their appearance before the HCUA, and had furnished information to this office concerning their affiliation with the CP. [] is a former Security Informant and had testified previously before the SACB concerning his activity in the LYL.

In the course of their testimony during the executive hearings and the open hearings these three witnesses named forty individuals as having been associated directly or indirectly with either the N.J. CP or the N.J. Labor Youth League.

Not all the individuals mentioned in executive testimony were called upon to appear during the open sessions. Five individuals, not specifically mentioned in executive session relating to the N.J. probe but who had in the past served as officials in the N.J. CP, were called to appear before the HCUA in open sessions held in Newark on September 3, 4, 5, 1958.

Newark has reviewed the files maintained on all individuals either mentioned in testimony or called upon to appear before the HCUA either in the executive session held in June and July of 1958 and the open session held in September, 1958.

Bureau instructions have been complied with by the submission of letters to the Bureau under individual case captions stating that in all but four cases the Bureau was in possession of the information furnished to the HCUA during the hearings, that the individuals had been subjects of security investigations and the Bureau advised regarding Newark's recommendation as to the advisability of interview or reinterview.

Regarding the four exceptions mentioned above, three cases have been assigned for additional investigation. In one of these cases a request for interview is being submitted. In the fourth case a request for interview has been or is being submitted.

In five cases it was determined that the subjects presently reside in other jurisdictions and the current office of origin has been advised that the information developed during the hearings is in possession of the Bureau. However, the decision for further investigation or interview was left to the discretion of the office of origin.

As Bureau instructions set forth in referenced Bulet have been complied with by giving the required attention to all cases related to the inquiry made by the HCUA into Communist activity in N.J. through three executive sessions and an open hearing, this case is being closed.

Dear

Thank you very much for sending me a copy of your release for February 25, 1959.

I am indeed pleased by your support and encouraged by your interest in preserving organizations active in the fight against communism. As you no doubt are aware, there is currently in progress a concentrated effort to discredit this Bureau and others who have taken a strong stand against the communist menace. Enclosed are reprints from recent issues of the "Congressional Record" which I thought you might like to read.

Sincerely yours,

information, another report is not being submitted at
this time.

preparations were being made to interview subject under
the TOPLEV Program, he stated to [redacted] that he
intended to lead the Agents to some remote spot in the
next surveillance. He apparently intended to cause some
embarrassment to the Bureau by some means. Bulet of

RUDIAK was subpoenaed to testify before a Subcommittee of the House on Un-American Activities Committee at Youngstown, Ohio, on 11/28/56 where the Committee was investigating communist activities. RUDIAK pleaded the Fifth Amendment. According to referenced Bulet of 2/9/59, RUDIAK is being considered for subpoena before the HCUA at Pittsburgh in March, 1959.

RUDIAK was first known to be a member of the CPA in 1945. Since 1945 he has been active in numerous CP fronts and is presently the President of the Independent Voters League. This organization has been reported as "the role of the CP without a party name." Last proof of CP membership was in 1954. He is presently on the Security Index.

Since subject continues active in a CP front, has refused to testify before the HUCA in 1956, and there has been no indication that he has changed his attitude toward possibly creating a situation to embarrass the Bureau, he is not being recommended for interview at this time.

His case is being returned to a closed status.

RED ACTIVITIES INVESTIGATION

JAMES J. WILLIAMS, one of the principal investigative agents for the House Committee on Un-American activities, was in Puerto Rico, these last few days, collecting information and questioning people with regard to the Anti-American or Pro-Communism activities in the Island.

WILLIAMS, who according to sources, had considerable trouble during his investigation, left yesterday morning for Washington.

According to El Imparcial sources, WILLIAMS, in order to hide his identity and his secret investigations in the Island, did not stay at a hotel, but at Fort Brooke, United States Army Base in San Juan.

UNSKILFULNESS OR UNRELIABLE INFORMATION

El Imparcial found out, that the trouble had by WILLIAMS, was caused by the lack of adequate information or by unskilfulness he, himself, found on questioning the different persons. These people, dealing in different political activities, were called to one of the offices of the Department of State of Puerto Rico, where WILLIAMS, conducted part of his work one day.

There he asked questions. But, some of the people refused to give him any information, some claiming protection under the 5th Amendment of the United States Constitution and he lacked authority for questioning the others.

TWO MEN

The country owes much to two men, Congressman Francis Walter, of Pennsylvania, the courageous Chairman of the House Un-American Activities Committee, and Mr. J. Edgar Hoover, the unflinching head of the F.B.I.

These two men have been subjected to more sinister and malignant abuse than any other public officials of our time. Most of this is cooked in a Moscow pot and served by both those who know, and do not know, the cook.

The sad part is that so many well-meaning but simple-minded innocents scatter as Christian food what is actually Communist poison. Many such innocents are church and college officials.

Every time a new Congress convenes, a determined effort is made to abolish the Un-American Activities Committee. This year the chosen spokesman was Congressman James Roosevelt, of California.

As Congressman Walter said of him, "He is the only person I know who has no criticism of the Committee but wants to abolish it!"

Mr. Roosevelt's mother is a long-time enemy of the Committee, and added her name to a newspaper advertisement in a Washington paper demanding its abolition.

Mr. J. Edgar Hoover expressed his approval of the Committee. It was not abolished.

This was only part of the Communist campaign to conquer our country from within. That business, labor and Hollywood celebrities fawned on the smiling murderer, Mikoyan, shows the importance of the House Committee and the F.B.I.

COMMITTEE ON UN-AMERICAN ACTIVITIES
HOUSE OF REPRESENTATIVES
WASHINGTON, D. C.

The Communist apparatus in the United States is more treacherous, and in some respects, a greater menace than ever before, the House Committee on Un-American Activities declared in its Annual Report for 1958, made public today.

The strength and danger of communism must not be judged by the number of formal members in the Communist Party, the Committee warned, noting that Communist Party membership has declined in the past several years.

The Committee quoted Armanda Penha, an FBI undercover operative in the Communist Party from 1950 until his appearance before the Committee in the Spring of 1958, who testified that the Communist Party "is not interested in numbers; it is interested in quality. In fact, as a result of most resignations and expulsions, the Party has strengthened itself in removing weak links. The Party consists of a hard-core, well-organized, efficient group of Communists."

The Communist organizational structure today, the report continues, is made up of the traditional underground or illegal apparatus and the above ground, "legal" organization which actually operates on three levels:

- (a) An open surface organization (much smaller than in the past).
- (b) A semiunderground organization, made up of the bulk of its rank-and-file members who meet secretly but operate above ground individually and as ostensible non-Communists.
- (c) A group composed, for the most part, of key functionaries and leaders who have gone, and remain, deeply underground.

The report lists a number of the current activities of the above ground Communist Party, including regular publication of over two dozen Communist periodicals, operation of two Communist publishing houses, and a chain of book-stores which serve as propaganda distributing arms of the Party. In addition, the report continues, the above ground Communist Party controls numerous front organizations.

In summarizing its work during the past year, the Committee stated that it held nine major hearings, ten consultations, and issued ten special reports. Over 400 thousand copies of these reports and hearings were distributed by the Committee during 1958, in addition to 136 thousand copies of Committee documents printed in previous years. In addition, in response to requests from Members of Congress, the Committee prepared 1,300 written reports on individuals and organizations on whom there was information in Committee files.

61-7582-4071
ENCLOSURE

In a section devoted to the Committee's legislative accomplishments, the report points out that an independent study made by the Legislative Reference Service of the Library of Congress in 1958, revealed that:

Eighty bills embodying Committee recommendations had been introduced in the Congress, all but two since 1949;

Thirty-five of these bills have been enacted into law; and

Twenty-six bills embodying Committee recommendations were pending at the close of the 85th Congress.

Thirteen policy recommendations made by the Committee have been implemented by the Executive Branch of the Government.

In its current legislative recommendations, the Committee urges Congressional action to tighten passport procedures stating that unrestricted travel on the part of persons associated with the Communist movement "presents a real deterrent to the successful prosecution of the foreign policy of this country and to the very security of the Nation."

Pointing out that over 27 million individual pieces of foreign Communist propaganda have entered this country from 1955 to 1958, and that an estimated 10 million pieces entered during the past year, the Committee urged amendment of the Foreign Agents Registration Act to compel the labeling of such material.

The report also contains a series of recommendations for legislation relating to espionage, sabotage, and other subversive activity.

WALDO HUGH COFFMAN
SECURITY MATTER - C
(Communist Index)

This case was reopened in the Houston office under the Communist Index program to bring the investigation up to date.

On 2/17/59, [redacted] Credit Bureau of Greater Houston, displayed to SA EDWIN DALRYMPLE newspaper clippings from The Houston Post newspaper. One clipping, dated 12/6/56, reported that WALDO HUGH COFFMAN had died on the previous day. Data appearing in this clipping made it apparent it pertained to subject. A second clipping, dated 6/9/58, reported the death of subject's wife, Mrs. DOROTHY COFFMAN. Consequently, subject's name is being deleted from the Communist Index of this office.

By letter dated 1/20/59 under the caption "HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES, INFORMATION CONCERNING, SUBVERSIVE CONTROL," this office advised the Bureau that subject's name appeared on a list of names of individuals in possession of HCUA who might be subpoenaed if committee hearings are held in Houston. One copy of this letter is being furnished for the Bureau's file under this caption. C.

PG 148-S* (reliable - conceal) on 3/3/59 advised SE [] that on evening of that date a meeting attended by individuals who had received subpoenas to appear before HCUA hearings scheduled at Pittsburgh, 3/10,11,12/59, was held at residence of ALEX [] STEINBERG, Apartment 8, 5542 Jackson Street, Pittsburgh 6, Pa. The following were present: ~~C~~ (U)

b6
b7c

NATHAN ALBERT, MAURICE SHINDLER, ALEXANDER STABER, ALEX STEINBERG, [] all members of District Board, Communist Party of Western Pennsylvania (CPWP); [] VINCENT KEMENOVICH, KATHERINE KEMENOVICH, ALLAN D. McNEIL, MARGARET NELSON, MIRIAM SCHULTZ, each, in the past associated with CPWP activities; ANNA DEVUNICH, [] and VIOLA SCHMIDT, CPWP members, were tentatively identified in attendance. ~~C~~ (U)

ALLAN McNEIL, chosen chairman of this meeting, suggested an agenda including a discussion of "what people are going to do" and that there should be a progress report. ~~C~~ (U)

MIRIAM SCHULTZ suggested work be planned for the coming year. ~~C~~ (U)

ESTHER STEINBERG was requested to keep notes on the meeting. ~~C~~ (U)

VINCENT KEMENOVICH stated the subpoena was a snide way of casting aspersions; that he was not worried about his job although his entire shop knows about it; and that he had an appointment for the following afternoon with the regional director (labor union) to discuss it. ~~C~~ (U)

MIRIAM SCHULTZ stated she had talked to some liberals who stated that no attention should be paid to those "phonies" (of the HCUA); that a meeting is to be held Thursday night (3/5/59); that the chairman of the ACLU is to be in Pittsburgh; that she has a close friend in the ADA and will discuss it (HCUA hearing) with him; and that out of this situation she had established contact with people she had not contacted for many years. She related that on that afternoon she had seen (name not audible). She added that they (not identified) had held a national meeting in Cleveland where one of their issues was the recognition of Red China. MIRIAM identified this Cleveland meeting as a Methodist Conference of Bishops which has a Social Action Committee. She stated that this individual was interested and agreed with her suggestion to send two or three officials (to HCUA hearing). This individual indicated also that he would talk to one of the newspaper editors to express his views but that he could not see any further action. ~~C~~ (U)

~~CONFIDENTIAL~~ (U)

~~CONFIDENTIAL~~ (U)

SCHULTZ stated she had met with ALEX (STABER) and had gone to see [redacted] of "The (Pittsburgh) Courier" (newspaper). She stated this individual was very "chummy"; that he could not take sides although he would have a reporter there (HCUA hearing). ~~(U)~~ b6 b7C

SCHULTZ stated that in addition to those people the thing is to feel that they are not alone and that they should try to work out some suggestions to pass along to these people. She stated that there is the ADA which is very sensitive about jumping the gun before the hearings take place; that they should think in terms of reaching people whereby she indicated that there was nothing else they could do, that everyone was very cooperative and against the Un-American Committee. ~~(U)~~

ALEX STEINBERG stated that you cannot trust people to figure out things; that he was supposed to be on the committee also to draft a statement but that he is rather "rusty." He stated that he also is looking for the facts (believed to refer to his appointment as a committee member in the Independent Voters League, a group affiliated with the CPWP). ~~(U)~~

MAURICE SHINDLER commented that he had spent about three hours getting out a statement; that the newspaper in his community had agreed to publish the statement in full; and that this weekly publication has a circulation of 15,000-16,000 in Oakmont, Verona, Penn Township and Wilksburg, Pa. SHINDLER stated that the publisher had advised him that the article is really tops; that he (publisher) also had received the article regarding [redacted] that he was going to make a few changes but that he (SHINDLER) would like it. [redacted] a former member of CPWP, regularly furnished information to the FBI from [redacted]. ~~(U)~~ b6 b7C b7D

MARGARET NELSON stated that she had talked to BEN (CAREATHERS, member of District Board, CPWP) on that date and made mention of a visit to [redacted] (of "The Pittsburgh Courier"). MARGARET then mentioned the name of [redacted] (phonetic) of the ADA. ~~(U)~~

ALEXANDER STABER stated that civil liberties is the issue and that he had written a little statement to the papers in the (Turtle Creek, Pa.) Valley. He stated that the Board (HCUA) hopes to create fear in the people of Pittsburgh, especially among steelworkers, and in view of the coming steel crisis (union contract negotiations) they (HCUA) are here to help the steel corporations. ~~(U)~~

~~CONFIDENTIAL~~ (U)

ALLAN McNEIL stated that he had written a letter to SIDNEY (LNU); that he had not contacted him directly for obvious reasons although his (McNEIL's) relationship with him has remained good on a personal basis. McNEIL stated that they must play on unemployment. McNEIL then commented that on that date he had written a note to CLARK FOREMAN (believed to be with Emergency Civil Liberties Committee of New York). ~~(U)~~

An unidentified individual commented that CLARK FOREMAN was supposed to be in Pittsburgh on that day. ~~(U)~~

MARGARET NELSON read a portion of a letter from an unidentified individual which indicated that if lawyers were needed in addition to HY (HYMEN SCHLESINGER, Pittsburgh attorney), they (unidentified individual) were ready to help. ~~(U)~~

MIRIAM SCHULTZ stated that she cannot think of any reason why he (FOREMAN) would be in Pittsburgh (other than for HCUA hearing) and suggested that someone contact HY (SCHLESINGER) on the following day. ~~(U)~~

McNEIL asked if there were any new developments in relation to "this" and if there were any new legal "gimmicks". ~~(U)~~

An unidentified individual suggested that someone should go down to the national office (organization not identified) and explain the situation. ~~(U)~~

McNEIL stated that he could not go but if CLARK FOREMAN was in town someone should talk to him. He stated also that someone should contact HY (SCHLESINGER) on the following day to convey the general sense of this meeting. ~~(U)~~

MIRIAM SCHULTZ was delegated to contact SCHLESINGER and thereafter to contact ALEX (STABER). ~~(U)~~

An unidentified individual suggested that they bring 100 unemployed persons, possibly UE (United Electrical, Radio and Machine Workers of America Union) workers (to the HCUA hearings). ~~(U)~~

McNEIL stated that the hearing is on Tuesday (3/10/59); that some of them will appear then; and that a problem will be the "statement" and when it is to go into the paper. ~~(U)~~

MIRIAM SCHULTZ suggested that the statement be placed in Monday's (3/9/59) paper, which was agreed upon by other individuals present. ~~(U)~~

~~CONFIDENTIAL~~ (U)

~~CONFIDENTIAL~~ (U)

McNEIL stated that at the last meeting they had suggested certain formulations, (1) unemployment - although it should not be this but the unemployment problems; (2) the Fifth Amendment - why you are taking it and why you are doing it. McNEIL stated that the present committee was VINCENT (KEMENOVICH) and ALEX (STEINBERG) and he suggested that ALEX (STABER) could give technical help. McNEIL asked in whose name the article would appear. ~~(U)~~

MIRIAM SCHULTZ commented that if they were to sign all the names of those who called it would separate them from the people and the trade union workers. She stated that it would carry more weight if presented by a group which would be a more common bond. ~~(U)~~

An unidentified individual suggested that HY (SCHLESINGER) sign it but McNEIL stated that he had qualms about HY signing it and would rather sign it himself. McNEIL suggested the possibility of CLARK FOREMAN signing it because he has contacts on a much wider basis. McNEIL stated that they (people in Western Pennsylvania) will put up the money and all FOREMAN's group has to do is work with them. ~~(U)~~

ALEX STEINBERG said CLARK FOREMAN was in Pittsburgh, staying at SCHLESINGER's house on Northumberland Avenue. It was arranged that a committee meet with SCHLESINGER on following day. It was ascertained FOREMAN planned to stay in Pittsburgh for the HCUA hearings. ~~(U)~~

ALEX STEINBERG suggested raising more money on basis of FOREMAN's name. ~~(U)~~

McNEIL suggested the statement be drafted on the following day, put into final form, and taken to the "Pittsburgh Post-Gazette" newspaper no later than Thursday (3/5/59). He stated if there is no other way for it to be signed they could utilize the name of the (Western Pennsylvania) Committee for Protection of Foreign Born. He added that speed is of the essence; that if FOREMAN would like to meet with the entire group to go over what he can do, it could be arranged; that FOREMAN can do more in a few hours than this group could do in days because of his contacts. ~~(U)~~

MIRIAM SCHULTZ suggested that FOREMAN meet with the entire group (of individuals who received subpoenas) as soon as possible and arrange for a meeting on Thursday night (3/5/59) because if FOREMAN is staying for the hearing it would be foolish not to use him to the fullest extent. ~~(U)~~

~~CONFIDENTIAL~~ (U)

~~CONFIDENTIAL~~ (U)

ALEX STEINBERG asked for the group's opinion regarding individual statements to the press. ~~(U)~~

ALEXANDER STABER stated that they will discuss that point with the attorney and that in addition to the statement and getting people to attend (the hearing) they will have to decide what they can do to create a "climate." He added that for the past ten years they (CP) have been harassed and that there is an air of hysteria. He stated that they should map out something for each person to do, but not in a mechanical way because in the final analysis it is not what CLARK FOREMAN can do but what they as local people can do. He stated that they want publicity; that they can pass out leaflets in the downtown area; that it would be advisable to pass out leaflets at the Westinghouse Electric Corporation but not by the UE (members) since the UE is in difficulty at Westinghouse. He added that they need more proposals of this type and should "blast off" on the (United) Steelworkers negotiations. ~~(U)~~

An unidentified individual suggested they obtain five minutes on TV and MIRIAM SCHULTZ commented that the entire publicity would cost \$1,000 in three days; that the ad would be \$600 and that TV would be another \$500. ~~(U)~~

A discussion followed regarding the use of a mail distribution and McNEIL stated that this was an opportunity for the Independent Voters League to sign something. ~~(U)~~

VINCENT KEMENOVICH commented that letters are not going to do any good because it would only reach the people with whom they are already in contact. He added that he had been contacting people with the idea of collecting money and he felt that a mailing would be a waste of money. ~~(U)~~

A discussion followed regarding the value of having the ad placed only in the "Pittsburgh Post-Gazette" newspaper. ~~(U)~~

MIRIAM SCHULTZ suggested that they send a copy of the ad to all of the nationality newspapers; that they should finalize appointments with Congressmen, with [redacted] (attorney and member of Pittsburgh City Council) and with (Right [redacted] (of the Episcopal diocese of Pittsburgh)). ~~(U)~~

McNEIL stated that he understands the urgency of the situation and that they should make sure they do the things that they have set out to do. ~~(U)~~

MIRIAM SCHULTZ commented that they should have news of the counsel from the ACLU by Friday morning (3/6/59). ~~(U)~~

For information.

In order to insure prompt and appropriate handling of above-captioned reports and to assist in the location of these reports after review, a central record will be maintained in the Liaison Section.

At the present time the Washington Field Office has the responsibility for the liaison with House Committee on Un-American Activities (HCUA), which includes the appropriate dissemination of all HCUA reports. This procedure consists of an examination of these reports for subject matter and the referral to the interested field office for analysis. The referral is handled by Washington Field Office letter to the Bureau, attention Records Section, with copies to the appropriate field office. Records Section indexes and places the testimony or report on record, and the Subversive Control Section (with some exceptions) follows the field to insure that HCUA testimony is handled and that appropriate write-ups are placed in individual case files. This method of handling appears to be satisfactory for the day-to-day hearings.

The practice for the handling of special and summary reports appears to be different in that generally the analysis is undertaken by the interested case desk or Section at the Seat of Government. In the future, in order to make certain that all such reports are reviewed promptly and in order to have a central record by title of these reports, as well as the name of the supervisor and Section which conducted the review, all special and summary HCUA reports will be directed by the Division Front Office to the Liaison Section for recording prior to review by the interested section. If it can be readily determined, the Division Front Office will designate the Section responsible for the review. If not, then the Liaison Section will examine the report and determine which section or substantive case desk should conduct the analysis. In all instances, in order to complete the record the Liaison Section must be advised when the review has been completed and furnished the name of the supervisor who conducted the review.

For information of New York Office, Bureau advised that information was confidentially received from HCUA that NATHAN SAMAROFF, Bufile 100-334730, Los Angeles file 100-28418, is one of a group of individuals for whom it is contemplating issuing subpoenas for the hearing beginning 3/24/59, presumably in Washington, D.C. Reference is made to mylet 2/13/59 in the NATHAN SAMAROFF case reflecting that as of that date NATHAN SAMAROFF was living in care [redacted] Bronx, New York, and was planning to sail to Poland in the near future. This information was verified in New York let to the Bureau 2/24/59. New York has outstanding lead to verify SAMAROFF's departure.

Since SAMAROFF will probably be en route to Poland before he is subpoenaed, no report is being submitted by the Los Angeles Office UACB.

Re San Francisco airtel 3-9-59 entitled "HCUA

CENTRAL RESEARCH
UNRECORDED COPY FILED IN 100-414270-34

[redacted] (reliable-conceal) by written report dated 3/8/59 received on 3/8/59 by SA DONALD G. HARRIS, located [redacted] advised that they attended a meeting from 1:20 PM to 4:30 PM, 3/7/59, in the office of HYMEN SCHLESINGER, Pittsburgh Attorney who has in the past represented CP members in Pittsburgh. Also present at the meeting were ALEX STABER, [redacted] NATHAN ALBERT, MIRIAM SCHULTZ, JOSEPH RUDIAK, EDMUND LANGE, [redacted] ANN DEVUNICH, JEAN KUHN, [redacted] ALEX STEINBERG, ALEX RAKOSI, ALLAN MC NEIL, VIOLA SCHMIDT, KATHERINE KEMENOVICH, MARGARET NELSON, CLARK FOREMAN of the Emergency Civil Liberties Committee, and HYMEN SCHLESINGER. All except FOREMAN and SCHLESINGER have been served subpoenas to appear before the HUCA hearing 3/10, 11 and 12/59 in Pittsburgh.

Sources advised MIRIAM SCHULTZ had contacted Congressman ELMER HOLLAND and the Chairman of the American Civil Liberties Union.

VIOLA SCHMIDT had contacted the NAACP and [redacted] [redacted] had contacted the Lawyers Referral Service. All above contacts were made to protest the HCUA hearings and gain sympathy and assistance for the persons subpoenaed.

Sources also advised \$300 had been collected and \$600 more had to be raised to run advertisements in the Pittsburgh papers under the name of ECLC protesting the hearings. It is noted one ad appeared in the 3/9/59 issue of "The Pittsburgh Post-Gazette" in this regard.

CLARK FOREMAN advised that it was up to the individuals' own decision whether to answer questions or not and stated that those who wished to plead the Fifth Amendment should do so.

HYMEN SCHLESINGER stated his chief concern "was to keep our people out of jail." He instructed all to plead the First and Fifth Amendments. He instructed those people who were capable of handling themselves before the Committee to hit back by insisting the HCUA is anti-labor, anti-foreign born, anti-Jewish, anti-Negro, or anything they can think of.

PG 100-13295

SCHLESINGER instructed that everyone should have a prepared statement condemning the Committee to give to reporters after they testify.

Sources furnished information orally that they heard HYMAN LUMER would be in Pittsburgh Monday, 3/9/59, to attempt to get a court order to quash his subpoena based on a violation of his civil rights by serving him a subpoena in public immediately after his speech at the University of Pittsburgh, 2/26/59.

Enclosed for the Bureau are two autostats entitled "UNIONS ARE THEIR TARGET" which were distributed at above meeting to be handed out to various unions. This leaflet sets forth that it has been issued by the Independent Voters League of Pittsburgh. Originals located in Pittsburgh file 100-12535-1A-18.

UNIONS ARE THEIR TARGET!

The House Un-American Committee will conduct hearings in Pittsburgh March 10th, 11th and 12th.

Why do two Dixiecrats and Gordon Scherer, an anti-labor Congressman from Ohio, come here at this time?

We believe the Un-American Committee is coming to Pittsburgh to create fear among the working people and especially the steelworkers. They know the Steelworkers Union is greatly concerned about the continuing heavy unemployment. In the coming contract talks it will be demanding a cut in the work week to provide jobs.

They also know that the steel corporations are getting ready for a lockout with the idea of beating the workers down. Already the steel companies in their publicity are implying that it's un-American for the steelworkers to get a shorter work week.

WE CHARGE THAT THE UN-AMERICAN COMMITTEE IS COMING TO PITTSBURGH TO HELP THE STEEL CORPORATION IN THEIR ATTACK AGAINST THE STEELWORKERS.

THEY VOTE AGAINST UNEMPLOYED

The Un-American Committee is not coming here to do anything about unemployment. Yet there are over 504,000 out of work in Pennsylvania with 117,000 jobless in the Pittsburgh area. This is 12%, with one out of every eight needing a job.

In the last Congress, Tuck from Virginia, Willis from Louisiana, and Scherer from Ohio (these are the members of the Un-American Committee coming to Pittsburgh) voted on House Bill 6287 to cut \$12,186,000 from grants to States for unemployment compensation.

Congressman Scherer of Ohio voted against the temporary additional unemployment compensation in House Bill H12065. This was the bill which was passed, despite him, giving the unemployed of Pennsylvania 13 extra weeks of compensation.

Congressman Scherer of Ohio and Tuck of Virginia voted against a bill to distribute \$1 billion surplus food a year to needy families.

With such a voting record, do you think that the unemployed in Pennsylvania will get any consideration from the Un-American Committee?

OPPOSITION TO COMMITTEE GROWS

We believe a great change has taken place in our country. People everywhere are beginning to see that the nightmare of fear can be removed. Recent decisions of the Supreme Court are leading in the direction of reestablishing the best American traditions of free speech, free press and free opinion.

The right to speak out for a better America must not be blocked by the Un-American Committee.

Check with the workers around you. See if it isn't true that people are more and more agreeing with the Washington Post that "THE UN-AMERICAN ACTIVITIES COMMITTEE SHOULD BE ABOLISHED..."
